

PTY 720 : Administration, Leadership, & Business Management for Physical Therapists

This course enhances the students' knowledge and critical thinking skills in leadership, administration, management, and professionalism (LAMP) for autonomous physical therapy practice by providing students with an understanding of management and organizational behavior theories, health care business principles, and supervisory and advocacy skills. In the context of autonomous physical therapy practice, LAMP skills are applied to develop a physical therapy business and facility. The course is only open to students enrolled in the DPT program.
